Adaptability

ABOUT ME

Front End Developer with 3 years of experience in building responsive web applications using HTML, CSS, JavaScript, and React.js. Passionate about user-centered design and working in collaborative environments.

EXPERIENCE

Front End Developer

TechIns | Kalithea | 2022-2024

At TechIns, we primarily create web apps for insurance agents and insurance offices, helping them organize, increase productivity, and boost profits. Below are some of the projects I have actively contributed / managed: scfa.gr / clubpronomia.gr.

How I help this to achieve:

- I contributed by implementing user-friendly and aesthetically pleasing components.
- I managed and modified all our clients' websites.
- I played a crucial role in the development by fully designing and implementing three applications in React Native.

Tech Stack : HTML, CSS, JavaScript, React, React Native, MySQL

WordPress Developer Intern

Pontemedia | Chalkida | 2021-2022

In the internship at Pontemedia I learn about WordPress (CMS), WooCommerce, and SEO of a website. It was a wonderful experience to work with such a great and helpful team. Here is a selection of projects where I played a significant role: thesportpoint.gr, aggelakis.gr, smartmarinas.gr.

- Creating E-Commerce websites with WordPress.
- Connect ERP database to the website. (SoftOne, Pylon)

Tech Stack : HTML, CSS, Wordpress, WooCommerce
